ENVIRONMENTAL POLICY STATEMENT

Elite Security Group recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods, achieving this through a policy of continual improvement in environmental performance.

To achieve these objectives, the Company will:

- adopt best practice and assist, where possible, in developing innovative solutions to the environmental issues and problems facing its sector;
- conduct its activities in full knowledge of, and compliance with, the requirements of applicable environmental legislation and Approved Codes of Practice;
- assess the environmental impact of all past, current and likely future operations, and fully integrate environmental considerations and objectives into its business decisions;
- minimise consumption of natural resources, including energy, water and raw materials, as far as is economically practicable;
- prevent pollution and minimise emissions;
- reduce the production of waste and develop effective waste management and recycling procedures, as well as disposing of unavoidable waste in such a way as to minimise its environmental impact;
- develop and implement integrated logistics policies, and encourage the use of environmentally friendly means of transport by staff;
- raise awareness amongst members of staff through appropriate education and training, encouraging them to become more environmentally responsible;
- encourage awareness of, and commitment to, improved environmental performance amongst suppliers and customers; and
- monitor and review its environmental performance and publish and communicate this performance to staff and other concerned parties.

Each employee is responsible for their adherence to the principles of this policy. The contents of this policy and the way in which it is being implemented will be reviewed annually.
